

## **Riptides 14u/12u Girls Team Flyer**

We are very excited that we are offering a girls team for players ages 10-14. Since this is a new team for Riptides we are hoping we can get 10-15 girls to start and begin the process of them becoming water polo players. We are having them practice at different times than the boys team so we can develop the players and give them the attention that new water polo players need. We will focus on fundamentals and basic skills while we get them adjusted to a new sport. Getting them started at a young age is crucial in their success at high school and college level. We will provide all the building blocks for athletes to grow as players and people.

**Practice Schedule-** Tuesday/Thursday 6:30-8:30pm @ Jim Stone Pool and Saturdays 11-1pm @ Washington Park Pool

First Practice is December 1st 6:30-8:30pm @ Jim Stone Pool
