

Riptides 10u Splashball Program

In cooperation with USA water polo this program is all about introducing kids to water polo. Teaching kids to be strong in the water is one of our top priorities. We will teach the participants some of the basic physical skills of water polo such as swimming, passing, and egg beating. Water polo played at any level is an extremely fun sport, and we feel it is important that our club members have fun while working hard to learn a new sport. We will not be participating in games the first season, but we hope to establish a competitive 10u team that competes in USA water polo sanctioned events. Any player 10 years old or younger is welcome and the class is Co-ed.

Practice Schedule:

We will practice on 9 Saturdays and the dates are as followed... **12/5,12/12,12/19, 1/2,1/9,1/16,1/23,1/30, 2/6.**

We will practice from 1:30-3:00pm @... TCA middle School

You can come try it out for free the first practice! December 5th 1:30-3:00pm @ TCA middle school

Cost: \$125 for the season.

Parent meeting @ Washington Park pool on November 24th @6pm

For more information go to renegadeaquatics.com for info. We will be sending out a registration form soon and you can fill it out and show up the first day and that's how we will register the players. If you have more questions contact coach John Bryant at jwrb14@yahoo.com or 760-644-4627.. or coach Derek Nelson at 760-300-5254
